I. BACKGROUND

The California Association of Behavioral Health Boards and Commissions (CALBHB/C) is a 501(c)(3), non-profit public benefit corporation created in 1993.

Mission:

CALBHB/C supports the work of California's 59 local mental/behavioral health boards and commissions (MHBs) by providing resources, training and opportunities for communication and state-wide advocacy.

Local boards are responsible for reviewing community mental health needs, services, facilities and special problems, and serve in an advisory capacity to local governing bodies and local mental/behavioral health directors per [CA Welfare and Institutions Code 5604](#).

Membership:

CALBHB/C membership is comprised of California's 59 local mental/behavioral health boards and commissions. Members include MHBs from 58 counties (two counties work together as one entity), plus the City of Berkeley Mental Health Commission and the Tri-City Mental Health Board.

Members of local boards are appointed by their board of supervisors or governing body. At least 50% of local board members must be individuals with lived experience of mental illness (aka "consumers") or family members of consumers. MHB membership should reflect the ethnic and cultural diversity of the communities served.

Local boards and commissions are located in five different regions: Superior, Central, Bay Area, Southern and Los Angeles (Regions coincide with the County Behavioral Health Directors Association regions). Link to [Regional Map](#) and [MHB Websites](#).

Leadership ([Link to Bios](#)):

Governing Board: CALBHB/C is led by an elected Governing Board that is comprised of a President, Vice President, Secretary/Treasurer, with up to three board members from each of the five regions. The Governing Board members are all current members of local mental/behavioral health boards.

Staff Leadership: CALBHB/C has an Executive Director.
